GREAT COFFEE. BRIGHT FUTURES.

WELCOME TO MAHABA CAFE

Mahaba Cafe is a not-for-profit social enterprise powered by young people with learning disabilities.

We offer fresh food, great coffee, and a venue with real purpose.

"I immediately just loved everything about Mahaba Café... and felt very at home. Great service... and the menu was everything I'd want for lunch. Would be great for a social gathering... London needs more of these fab cafes and I'll definitely be going back."
